

## Route to The Place Theatre, Bedford (Approaching Bedford from the North) (B660, from Kimbolton Direction)

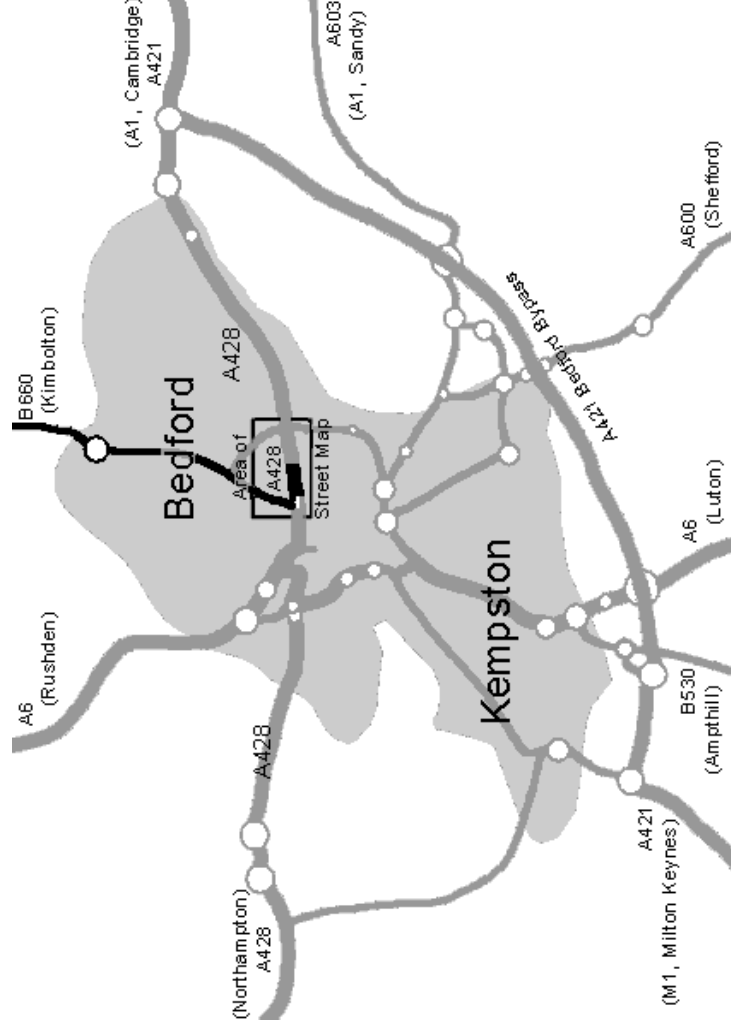

As Bedford is approached, and shortly after passing Mowsbury Golf Course on the left, a roundabout will be encountered: Continue straight ahead at this roundabout, following signs for 'Town Centre'.

Continue straight ahead for a total of about one and a half miles, passing first through a double set of traffic lights and then through a single set (next to The Park Hotel).

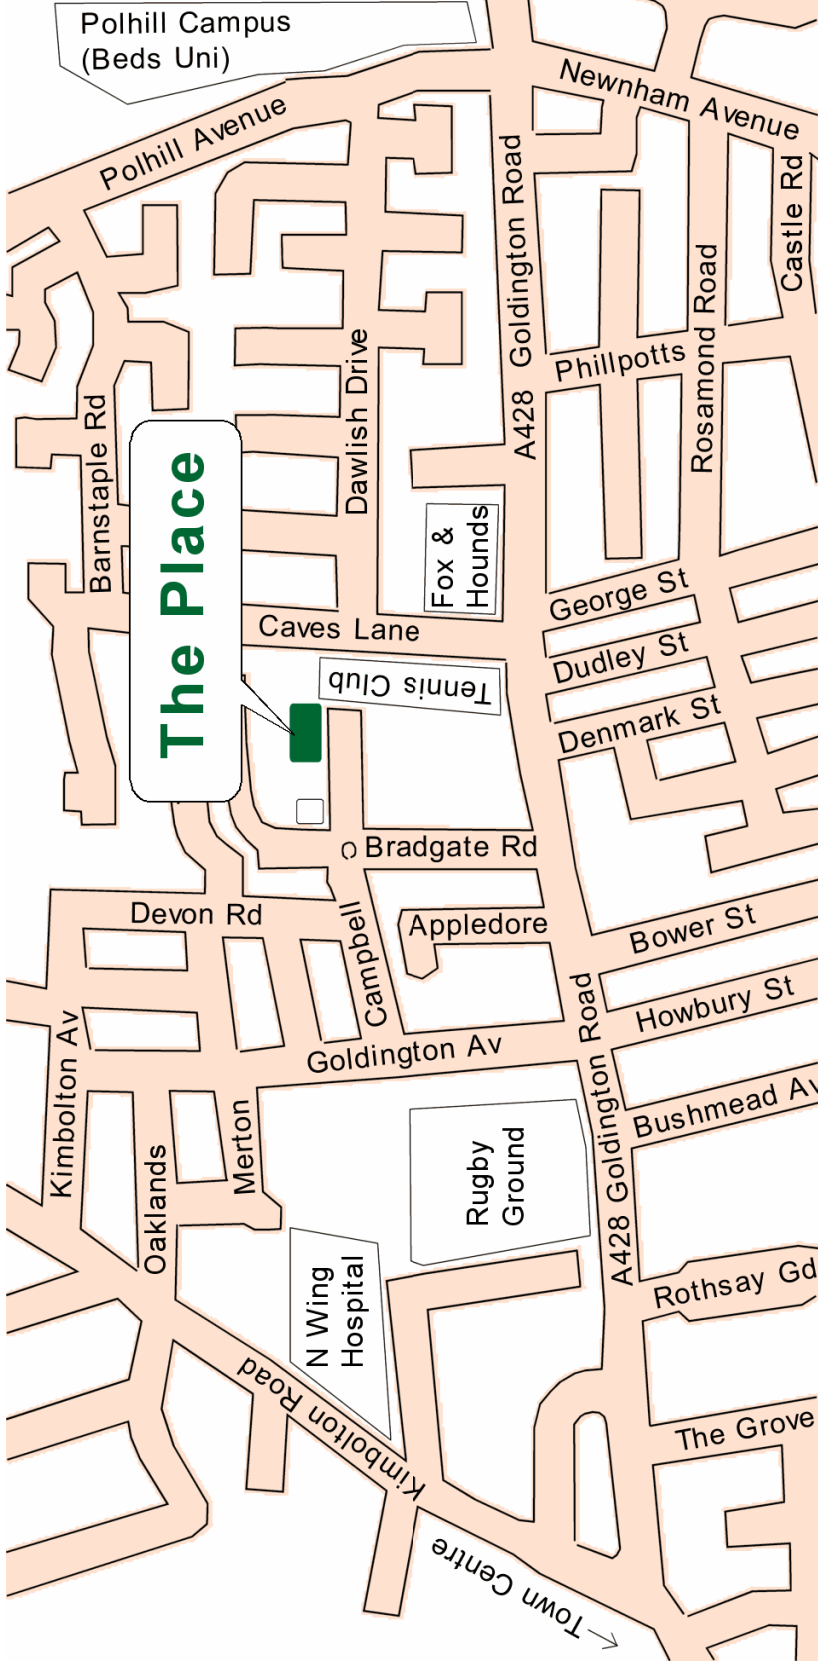

Shortly after passing Bedford Hospital North Wing on the left, you will encounter a large roundabout with a car park in the centre: You are now at the roundabout in the bottom left-hand corner of the street-map shown below. Take the left-hand lane and turn **left** at this roundabout, following signs for 'A428 East, Cambridge'.

Proceed down the road, passing the rugby ground on the left. Continue past the Goldington Avenue and then Appledore Road, and after another 30 metres turn **left** into Bradgate Road.

Continue to the top of Bradgate Road, and turn **right** at the mini-roundabout to pass in front of the green building (the Badminton Club): The Place is immediately ahead of you, with the car park entrance immediately before the building. An overflow car park may be open on the right.

# The PLACE Bedford

**The Place** can be found at the top of Bradgate Road, Bedford (off Goldington Road, the main A428 Northampton to A1/Cambridge road).

Turn off Goldington Road into Bradgate Road (look for a brown 'theatre' sign here, not very easy to spot), and follow the road to the top. At the mini roundabout, turn **right**, leaving the large green corrugated iron building (the badminton club) on your left, and continue a further 60 metres: The Place is on the left, with the main car park entrance on the left immediately before the building. An additional car park may also be available opposite the building, on your right.
